

## GRADUATION Classes of 2020 and 2021

*Imagine. Believe. Aspire.*

**WHEN:** Saturday, May 29, beginning at 2 p.m. Graduates for both 2020 and 2021 years should arrive at WCOS parking lot no later than 1:30 p.m. Please remain in vehicles.

**WHERE:** A live-streamed event, which will take place at our school.

**HOW:** Here is the vision for the day:

**\*Parking:** Graduates will be allowed ONE vehicle, to be parked along the front of the school. No other guests will be allowed in the parking lot or the school. Only the graduate and the escort(s) will be in the vehicle. The graduate is allowed a maximum of two escorts. Therefore, a maximum of 3 people will be in the vehicle and must remain in the vehicle until an attendant ushers you into the school.

**\*Ceremony:** The ceremony will begin with livestreamed 'greetings' from the Principal, our local school trustee, and school Superintendent, followed by a video presentation.

**\*Awards:** At this time, our staff will verbally acknowledge through livestream, the recipients of the 2020 and 2021 awards (which will have already been awarded).

**\*Processional:** A processional walk for each graduate will take place. An attendant will usher in each graduate from our parking area, individually and in alphabetical order when it is their turn to enter the school. Please remain in vehicles until you are called.

The graduate will be accompanied by a maximum of two escorts (from your vehicle) and participate in the 'grad walk' into the school, accompanied by music previously chosen by both the 2020 and 2021 graduation committees.

A short speech by Mr. R. for each graduate will include memories and highlights from WCOS. A graduation certificate and gift will be presented. A formal photo will be taken and sent to the graduate at a later date. The graduate and escort(s) will exit the school by the same door. The next graduate and escort(s) will then be ushered and welcomed into the school from the parking lot by an attendant.
