

Parent Presentation Raising Responsible Teenagers

Virtual District Wide Presentation
Thursday, May 18th, 2023, 6:30 - 7:30 p.m.

Come away with new ideas to encourage your teenager (age 11+) to make good decisions, be respectful, considerate, reliable and involved in family life.

Social Emotional Learning (SEL) is an integral part of education and human development which is a high priority for Wolf Creek Public Schools. When students experience SEL they gain knowledge and skills to manage emotions, build healthy relationships, set goals and make decisions.
